SUPPORTING FAMILIES
WITH A SERIOUSLY ILL CHILD

YOUR FUTURE IS OUR BUSINESS

Hi Battlefield Challenger

I am delighted that you have chosen to take on the 2018 Bitesize Battlefield Challenge to raise a minimum of £20 for Rainbow Trust Children's Charity - welcome to the team!

Rainbow Trust enables families who have a child with a life-threatening illness to make the most of precious time together, providing expert practical and emotional support, where they need it, for as long as it is needed.

It costs just £23 for Rainbow Trust to provide one hour of support to a family with a seriously ill child. We are sure you will smash your £20 fundraising target and if you raise over £25 we will give you some crazy rainbow hair to rock on the day!

Spread the word to your friends and family about your awesome challenge and kick start your fundraising today!

Fundraising options

- Setup a personal fundraising page by joining the Bitesize Battlefield fundraising campaign - uk.virginmoneygiving.com/fund/BattlefieldChallenge
- Click the blue start fundraising button, set up your page and see yourself listed as a fundraiser, tell your friends and family about your awesome challenge and see if you can be the biggest fundraiser!
- Alternatively you can go old school and do your fundraising offline with a sponsorship form. Simply bring the money you have raised on the day and if it's over £25 you will get the awesome rainbow hair!
- Why not get your school involved to help you raise your sponsorship, you could hold a back sale in your class, or you could suggest a Rainbow themed own clothes day!

We are so grateful for your support by taking on this awesome challenge, and we can't wait to see you at the battlefield!

Best Wishes

Anna

“ Rainbow Trust seemed to be there from every angle; they supported me emotionally, they supported my children, they provided transport and respite care when it was needed. They did everything and whatever was needed. ”
