

SERVICE - PRAYER - ACHIEVE - RESPECT

12<sup>th</sup> March 2019

Dear Parent/Carer,

## Year 8 Parents' Evening

Your child is now in their final stages of Key Stage 3 at The Barlow RC High School and will soon be partaking in discussions about their Key Stage 4 Curriculum.

It is essential that your child works to their maximum potential this year and keeps up to date with their classwork and homework.

A Year 8 Parents Evening has been planned for:

**Thursday 21<sup>st</sup> March 2019**

**4.00 pm - 6.15 pm**

This evening will provide you with the invaluable opportunity to meet with subject teachers to inform you of your child's progress to date, to discuss any concerns we have and intervention and support opportunities available for your child.

Education works best when parents and teachers work together and we cannot underestimate the positive impact this has on students' performance and success.

I look forward to meeting you on this important evening.

Yours sincerely

**Mrs C McCarron**  
Headteacher
